

The best way to find a pcb fabricator, anywhere.

A partial list of companies that have already registered to use *The PCB List*:

Actia (automotive)	ARQ Electronics Manufacturing Services
Aculab (communications)	Aselsan (search & navigation)
Add-On Technologies, Inc. (industrial)	ASTEELFLASH (EMS)
Advanced Electronic Designs	Astrium (OEM)
Advanced Layout Solutions Ltd (design house)	Astronics Corp. (mil/aero)
Advanced Navigation (navigation)	ATK (mil/aero)
Aeroflex (test/measurement equipment)	Autec srl (remote controls)
Agfa Gevaert NV (OEM)	Autosplice, Inc. (industrial)
Agilent Technologies	Avago Technologies (communications)
AirNetix (design)	Avalon Technologies (EMS)
AJA Video Systems (video interface)	Avtopribor Electronics (automotive)
Alacron, Inc. (vision systems)	AXIS Communications
Alcatel-Lucent (communications)	Axrtech (electronics equipment)
Allen Integrated Assemblies (EMS)	BAE Systems
Alligator Designs Pvt Ltd (CEM)	Banner Engineering (industrial automation)
ALSTOM (OEM)	Barco (medical)
American Auto-Matrix (OEM)	Basler (industrial controls)
Amesys / Bull (defense)	BEA (industrial equipment)
AML Oceanographic Ltd (sensors)	BEI Electronics (CEM)
Amper Programas (communications)	BEI Precision Systems & Space Co. (encoders)
AMS-Neve (communications)	Benchmark (CEM)
Anaren Microwave	Best Global Source (EMS)
Analog Devices, Inc. (computer)	Berkshire Design
Analogics Group (computer)	Beta Electronics LTD (EMS)
Anodyne Electronics Manufacturing Corp. (EMS)	Beyes (design house)
Ansync Inc. (computer)	Bird Technologies (RF communications)
API Technologies Corp. (EMS)	BITRON Spain SA (automotive, energy)
Apple Inc (computer)	Blue Bear Systems Research (aerospace)
Applied Technology Ltd. (energy)	Boeing (aviation)
AREX (communications technology)	Bosch

Bose
Brainsgate (medical devices)
Brioconcept (design)
BRITON EMS LTD (EMS)
Broadcom (communications)
Bull sas (computer)
Cadex (industrial)
Caen S.p.A. (industrial)
Captec Ltd. (computer)
Carlo Gavazzi (industrial equipment)
Car-San Manufacturing (EMS)
CCC del Uruguay Medical Devices
CEA Technologies (mil/aero)
Centron Electronic Solutions (design)
Centum Electronics Limited (EMS)
Centum Rakon (industrial controls)
Check-Cap (medical)
Cidein (design house)
Ciena (communication)
Circuit Works Corporation (EMS)
Cisco (communications)
Cleverscope Ltd (equipment)
Colonial Electronic Manufacturers Inc. (EMS)
Component Ltd.
Continental Corporation (automotive)
CoreEL Technologies Pvt Ltd
Core Source Technologies (design house)
Creation Technologies
Creative Technology Ltd. (audio electronics)
Crowcon (detection instruments)
CSI Electronics (EMS)
CTS Corporation (EMS)
Cube Optics AG (communications)
Curtis Instruments (OEM)
Curtiss Wright (industrial)
CVRx, Inc. (medical)
Daikin Europe (HVAC)
Daisalux (industrial)
Data Patterns LTD (computer)
Delphi (automotive electronics)
Dension Audio Systems (communication)
Dialog Semiconductor (communications)
Diehl Controls
DigiFlex (computer)
Digital Fueguina (consumer electronics)
Draexlmaier Group (automotive OEM)
DragonWave (networking systems)
DRS Consolidated Controls (mil/aero)
Dutek (EMS)
Dynax (automotive)
East Champion Development Limited
ECCT B.V. (medical/communications)
Echostar EUROPE (communications)
Echostar Technologies (U.S) (communications)
EcoTech Marine (lighting)
Edadoc (design)
EFACEC Engenharia (industrial)
Efftronics Systems (industrial)
E.H. Wachs (industrial controllers)
Elbit Systems (military)
Election Systems & Software
Electromag (lighting)
ELGAMA-ELEKTRONIKA (energy)
Elkron (security)
Elmo (industrial equipment)
Elster Rometrics (industrial)
Emerson
Endress Hauser (instrumentation)
Envieta (design)
Epson Canada
ERICSSON AB
ESAB (industrial equipment)
ESI (laser technology)
ESPEC CORP (scientific equipment)

Esterline-Eclipse Electronic Systems (communications)
ET Designers Pte Ltd.
Everett Charles Technologies (test equipment)
Fetco Co. (commercial)
FIAMM (communications)
Filtronic Broadband (communications)
Fisher & Paykel Healthcare (medical)
Flatfield Multiprint International
Flextronics (EMS)
Flir Systems AB (security)
Fluke Corporation
Freestyle Energy (OEM)
Frencken America
Fujitsu
Fumax Technology LTD (EMS)
Gallagher Group Ltd. (EMS)
GE Aviation
GEHC (General Electric)
General Dynamics (security)
Genesis Circuits (design house)
Genmark Automation
Gentex Corporation (automotive,aero)
Gewiss spa (electronic controls)
Giga-tronics, Inc. (test equipment)
GippsAero Pty Ltd (aero)
GN Netcom A/S (communications)
GN ReSound (consumer)
Goodrich Corporation (defense/aviation)
GPC Electronics (communications)
Greenwald Industries (industrial)
Halliburton (energy, industrial)
Hana Semiconductor (AYT) Co.,Ltd. (EMS)
Hanzas (EMS)
Harris Corporation
HARTING (industrial, automotive)
HBL Power Systems Ltd. (OEM)
HDT Robotics (military)
HEKATRON Technik GmbH (industrial)
Hirschmann Car Communication (automotive)
Hi-Tronic (design)
Honeywell
HP (computer)
Huawei Technologies (ICT)
Hughes Network System (communications)
Hunter Engineering (automotive)
IBM
Ihara Electronic (industrial instrumentation)
IJ-CCAL cc (design)
IKUSI (communications)
Imagesmith Designs
iMove, Inc. (military)
Impact Instrumentation (medical)
Indesit Company (consumer appliances)
Infiniti Solutions (EMS)
Informatics Services Corp. (communications)
Ingersoll-Rand (part of Trane) (HVAC)
Innovative Electronics Corporation (EMS)
INO (optics/photronics)
INTEGRA Solutions
Intel
International Game Technology
Interplex (EMS)
IntriCon Corp. (communications)
Ionics EMS, Inc.
IskraTEL (EMS)
ITRON (energy control)
Jabil Circuit
Jefferson Lab
JFS Embedded Solutions (design)
JVW Grup (CEM)
Johnson Electric (industrial controls)
Johnstech International
Kadyk & Pearl Design

Kepeco Inc. (energy)
KES Systems (design)
Kimco (EMS)
Kingtech (EMS)
Knorr- Bremse (transportation)
Kone Elevator (industrial)
Kontron Europe GmbH (computer)
Kostal Kontakt Systeme (electronic equipment)
L-3 Communications
Larsen and Toubro LTD (industrial)
LaXense Inc. (communication)
Lectronix, Inc. (CEM)
Leemah holdings Ltd (EMS)
LEM (energy)
LG Electronics
Lockheed Martin
Logitech (computer)
Lutron (industrial controls)
LyrtechRD (electronic products)
M2M Telemetry (communications)
Magna Electronics (automotive)
Manufacturing Services, Inc. (EMS)
Marubeni Techno-System Corp. (OEM)
Masimo (medical equipment)
Mathis Electronics Inc. (EMS)
Maxim Integrated (automotive, mil/aero)
Mayo Clinic
McLaren Electronics (automotive electronics)
Medtronic (medical)
Mellanox (computer)
Mercury Systems (defense)
Micro Motion, div of Emerson (industrial equipment)
Micronic Mydata
MICROTEL Technologie Elettroniche SpA (EMS)
Minda Stoneridge Instruments Ltd. (automotive)
Miraco Inc. (design house)
Micron (computer)
Miranda Technologies (communications)
MISSION Power Solutions, Inc. (power systems)
MIT Lincoln Laboratory
Motorola Solutions (communications)
MOTWANE (test/measurement equipment)
MPIQC (EMS)
MPL Incorporated (CEM)
NASA
Navayo (security)
Navico (marine electronics)
NeST (CEM)
Netvision (communications)
Newtec Asia Pacific (communications)
Newtec Belgium (communications)
NEWTEC CY (communications)
Nimbeon Intertechnologies (design + CEM)
NOKIA
Northrop Grumman Aerospace Systems
Novadaq Technologies (medical)
NOVATECH Industries (EMS)
NRG Systems Inc. (energy-related equipment)
NTE-SENER (medical)
Nualight (industrial)
Nvidia (computer)
NxGEN Electronics Inc. (EMS)
Oclaro (industrial)
OES, Inc. (CEM)
Olympus KeyMed (medical equipment)
Omnavita (CEM)
OMNIGO (EMS)
Omron (automation, medical equipment)
Oncore (EMS)
Optec Technology Ltd. (industrial connectivity)
OptoElectronix, Inc. (lighting)
Oracle
Osram Sylvania (lighting)

Oticon A/S
 Pals Electronics (communications systems)
 Panel Products, Inc. (military)
 Paramit SDN BHD Penang (EMS)
 Park Controls & Communications (mil/aero, ATE)
 Partnertech (computer)
 PCB BIZ Inc. (design house)
 PCB Design Inc.
 PCB Technologies (CEM)
 Patton Australia (industrial)
 PCB A2Z (design house)
 Pelcom (industrial)
 Pentair Thermal Management (industrial controls)
 Peralex (communications)
 Performance Technologies Inc. (communications)
 Philips Lighting
 PHOENIX Contact Electronics (industrial automation)
 Piezo Technologies (sensors)
 PKC (CEM)
 Plexus (EMS)
 Point Grey Research (industrial)
 Preston Cinema Systems (industrial control)
 Prevas Development AS (embedded systems)
 Prime Electronics (EMS)
 Procelec (industrial)
 ProDesign Electronic GmbH (CEM)
 Projects Unlimited (CEM – aerospace)
 Qmax Technologies (design)
 R.W. Beckett Corp. (industrial controls)
 RACOM (communications)
 Radix Microsystems
 Rafael Advanced Defense Systems
 Rangsons (EMS)
 Raytheon UK (aerospace, defense)
 REMEC Broadband (communication)
 Renishaw (OEM)
 Replenish Inc. (medical)
 Riverside Electronics (EMS)
 RK Elektronik GmbH (design house)
 Robert Bosch Co. Ltd. (OEM)
 Robins Air Force Base (defense)
 Rosenberger
 RT Logic (aerospace)
 S.M. DEZAC, S.A. (electronic equipment)
 Saab AB, Electronic Defence Systems
 Safari Circuits (EMS)
 Sanmina Corporation (EMS)
 Samsung Electronics
 Schlumberger (industrial)
 Schneider-Electric (energy management)
 Schweitzer Engineering Laboratories
 SEAKR Engineering, Inc. (EMS)
 Selcom Group (EMS)
 SELEX (communications)
 Semicon (EMS)
 Sepura Plc (communications)
 SERCEL (marine)
 Seuffer GmbH & Co. KG (automotive, consumer)
 Shure Inc. (audio products)
 SIAE Microelettronica (communications)
 Sibex Inc. (EMS)
 SIEMENS
 Sigma Microsystems (computer)
 Sigmatron International (EMS)
 Sintecs BV (design house)
 SITAEL SPA (aerospace)
 Skyworks Solutions, Inc. (OEM)
 SLN Technologies (design)
 Smart Guide (communication)
 SMA Solar Technology AG (energy mgmt)

SMD MICRO (EMS)
Solid Semecs (EMS)
Sonic Manufacturing Technologies (EMS)
Sorin Group (medical)
Spectrum Integrity, Inc. (design)
STAUBLI (industrial)
STACI Corporation (EMS)
Starkey Hearing Technology
sTec (computer)
Stesalit (OEM)
SubCon Technology (EMS)
Summit Electronic Components Co., Ltd (EMS)
Synergos Design LLC
System Circuits, LLC (design house)
Tait Communications
Tate Technology Inc. (EMS)
Taylor Company
TDK-Lambda UK (industrial equipment)
TECNOBIT (defense, aviation)
TEJAS NETWORKS (communications)
Tellabs (communication)
TELEVIC Healthcare (medical equipment)
Teradyne (test/meas.)
TeraXion (communications)
Terma A/S (mil/aero)
Thales Group (satellite technology)
Theon Sensors S.A.
Timex (consumer)
Touchnetix (computer)
TRANSPACE Technologies PVT LTD (design)
Tropical Assemblies (EMS)
TruePosition (communications/security)
TRW Automotive
TT Electronics (EMS)
Turck (industrial)
TV One Ltd. (video equipment)
Tyco (security)
UCAMCO NV (industrial)
ULMA Embedded (design)
VALEO (automotive)
Vectronix, Inc. (defense)
Venture Corporation Ltd. (EMS)
Vicor Corporation
VTI Instruments (defense)
WB Electronics (defense)
Wellex Corporation (CEM)
Whirlpool
Wistron Co. (ODM/EMS – communication tech.)
Witte Automotive Nejdek
Wongs Electronics Company (EMS)
Woodward, Inc. (energy control)
Wright-Patterson Air Force Base
WysGuy Designs, LLC
XCOR Aerospace
Xenon Corporation (UV technology)
XIMEA (industrial)
Yazaki (automotive electronics)
ZEISS (optics)
Zetta One Technologies (design)
ZF Electronics Systems (automotive electronics)
Zodiac Aerospace (aerospace equipment)
Zollner Electronics (EMS)
Zonge International
ZTE Corp. (telecom)
