

## What is it?

### For the Buyer of PCBs it's:

- Free access to The definitive directory of PCB fabricators
- The most comprehensive list from around the world
- In-depth profiles of PCB fabricators
- Easy to use with intuitive navigation
- Quick searches to locate the right fabricator
- In-depth searches for specific capabilities
- Organizable search results by regions, board types, or a number of other ways
- Accessible worldwide on any device
- Updated daily
- The only source they will need to locate a PCB fabricator

### For you, the Fabricator, it's:

The most powerful directory available for the right prospect to find you and it's only \$84USD per month.

"I-Connect007's **The PCB List** truly is the best way to find a PCB fabricator ... and I am very impressed. [It is] a revolutionary marketing resource for all PCB fabricators [and it] is going to change the way you do business."  
—Dan Beaulieu
